Note in the matter of calling donations for the Milk Fund

The Government while according sanction for the starting of Milk Centres in the Municipality in their order No L 8625-7/M1 10-44-59 dated 9-1-45 observed that a 'Milk Supply Fund' with the help of the public donations may be built up to enable Municipality to increase the Centres and also with a view to making the scheme self supporting

As indicated in the G O the fund could not be started so far However endeavours were made to get free supply of Milk from June 1945 to end of April 1946 Thus the major portion of the expenditure for running the Milk has been received in the shape of free supply of milk and the expenditure incurred by the Municipality was only Rs 3,122/- against the estimated amount of Rs 10,000/- for two centres during 1945-46

As required in the above Government Order the Municipal Council should undertake to collect donations from the public to start the above fund The subject may kindly be referred to the Municipal Council, to devise ways and means to raise the donations If necessary a Committee may also be constituted for this purpose
